

## Assembling your Mini Adventures Book

---

1. Print the pages of the pdf file for your book single –sided.
2. Stack the pages of your book together.
3. Cut along the dotted grey lines with a paper cutter.
4. Fold the cut pages in 2, so that the blank sides of the pages are face to face
5. Set aside the cover pages - it is a folder for the other pages.
6. Sort the remaining folder pages into numerical order.
7. Slot these folded pages inside the cover folder keeping the open ends of the folds on the left and the closed ends of the folds on the right.
8. Staple 2 or 3 times along the dotted red line of the cover.
9. Cover the staples with duct tape to keep little fingers safe.
